

Chapter 5 Vocab

- 1) energy
- 2) kinetic energy
- 3) potential energy
- 4) gravitational potential energy
- 5) elastic potential energy
- 6) chemical potential energy
- 7) mechanical energy
- 8) sound energy
- 9) thermal energy
- 10) electric energy
- 11) radiant energy
- 12) nuclear energy
- 13) law of conservation of energy
- 14) friction
- 15) nonrenewable energy resource
- 16) fossil fuel
- 17) renewable energy resource
- 18) inexhaustible energy resource
